

PHILIP MORRIS MANAGEMENT CORP.

Law Department Memorandum  
Richmond, Virginia

TO: Frank Friedman

DATE: 28 March 1989

FROM: Art Palmer

SUBJECT: NEW DISCLOSURE ACKNOWLEDGMENT (D532)

We have received an invention disclosure as noted below. A copy is attached for your information.

Please let us know when this project has reached the stage that R&D management can make its recommendations for filing a patent application. If you are able to locate any additional data suitable for use in preparing an application, please send it to us either before or with the recommendation.
